

Needed immediately! Truck body repair in a busy fast paced shop. We have openings for experienced and entry level positions. We are willing to provide hands-on training and “job shadow” opportunities to a candidate with positive attitude, desire to learn, and mechanical aptitude. We do offer a tool reimbursement program for employees plus a tool financing program for entry level employee. Candidates must be willing to work overtime. We offer competitive wages plus a complete benefit package which includes health insurance, life insurance, bonuses, paid vacation, paid holidays, uniforms, 401k, and more.

Candidates must be able to lift 50 lbs., work out of position, work on ladders, in a noisy dusty shop environment. Please visit our website” www.ttspec.com where you can download an employment application or contact: Craig Rector @ 616-698-8215.
